The VFW Veterans Village has a small RV park for all Veterans to enjoy!!

Nestled on 42 acres and close to Ocala National Forest, the VFW Veterans Village RV Park is another best kept secret in Florida!

We have ten "Spots" to RV...four have a large concrete pad with 50/30 AMP & water, four have water and electric 110V and the other two water...They sit on a beautiful peaceful area in our 42 acres and is within walking distance to our large complex where everything happens!

We feature a separate bathroom/shower facility outside, and we have a dump station on site. In addition, as an RV guest you are welcome to come in and visit our facility. There you will be able to relax and connect to the WIFI, do your laundry, visit the library, use the small fitness room and visit with the staff and residents!

What's the cost?

On the four concrete pads, it's \$30.00 a day for a maximum stay of 60 days.
On the four without pads with 110V, it's \$20.00 a day for a maximum stay of 60 days.
On the water sites only, it's \$15.00 a day for a maximum of 60 days.

Inside our facility as an RV "visitor" you will be able to purchase meals for only \$5.00 a meal which includes your drinks. Our facility serves breakfast from 6:00AM to 8:00AM, lunch from 12:00 to 1:00PM and dinner from 5:00PM to 6:00P.M. Laundry facilities are open from 8:00AM to 8:00PM, and are not coin operated, just bring your own cleaning products.

We ask that you refrain from smoking while inside the facility.

If you have a pet with you, it must be on a leash when not in your RV. You must provide a current vaccination record for your pet. Pets are not allowed in the dining room. You are responsible for cleaning up after your pet outside. We do provide two areas for pet walking with clean up bags.

Why is the cost so low? As a Veterans Organization (VFW) that is non-profit we strive hard to ensure that we meet the cost factor associated with maintaining the place and in doing our maintenance, we do our best to pass on the savings to you! Our goal is that you come and visit and tell your friends, save some money, and enjoy life. As a Veteran myself, if we cannot take care of each other, who will?
